SCHEDULES

All schedules can be found here – <https://calisthenics.asn.au/competitions/team-competitions/competition-schedule/>

Updates to schedules will also be posted with changes highlighted in red. Clubs affected by changes will be contacted directly.

BACKSTAGE & AUDIENCE

As per Government Requirements there will be a separation of backstage and audience members. This includes at drop-off & pickup times.

As per Victorian Team Rules 2.2;

- a) All personnel in addition to performers backstage require a backstage pass.
- b) No movement between backstage and audience is allowed.
- c) Each competing club will be given 6 backstage passes (dependent on COVID-19 & venue restrictions at the time) – these may be distributed by the club as they wish but must cover coaches.
- d) Larger teams will be given additional passes should venue capacity allow. Additional pass details will be advised closer to start of competition.
- e) Male assistants/coaches shall be given access to backstage only. The competing club must notify the competition convenor at time of entry to allow notification to be given to other teams entering. Access to backstage must not be via dressing rooms.

Clubs will be advised prior to each competition of changes to allowable backstage numbers should any additional restrictions be in place at the time.

ARRIVAL TIME

All competition venues will be open 45 mins prior to competition start time. This time will allow for warmup of competitors on stage prior to competition.

CONTINGENCY

Calisthenics Victoria in association with all local team competitions are currently planning for a full competition season. We are however working through contingencies should COVID-19 restrictions put limits on numbers. Please be assured we will continue to communicate with clubs as we move closer to the start of the team competition season and will be prepared to pivot should we need to.
